THE WARMOTH CASE TO BE POSTPONED.

JUDGMENTS RENDERED BY THE COURT OF CLAIMS.

ETC. ETC. ETC.

REVENUE REGULATIONS.

WASHINGTON, April 28.—The Commissioner of Internal Revenue will soon issue a circular requiring collectors of internal revenue to make two returns during the month of May, from the 1st to the 15th, and from the 15th to the 31st, in order that liabilities for new bonds may be determined.

SUPREME COURT DECISION.

The supreme court this afternoon decided the case of the Mutual Life Insurance Company of New York vs. Terry, a case of suicide by poison. The court holds that the reason of deceased had been so impaired, that his suicide was not his voluntary, intelligent act, and on these facts it is held the company is liable, though the policy provided against suicide.

THE WARMOTH CASE.

It is thought this afternoon by leading members of the supreme court bar, that the motion submitted to the court in conference last Saturday, for allowance of appeal in the Warmoth, Louisiana, case, which was refused by Judge Durrell in court below, will go over till next term.

TO BE POSTPONED.

WASHINGTON, April 28.—The war department has made extensive preparations for the protection of engineering parties on the Northern Pacific railroad. About forty companies of all branches of the army will compose the expedition, which starts June 15, Col. Stanley commanding.

THE INDIAN COMMISSIONERS.

The commissioners of Indian affairs resumed session this morning. B. R. Cowan, assistant secretary of interior as a member of the commission. Bids for transportation were received, amounting to 22 in all. Soldiers were chiefly from St. Louis, Chicago, Pittsburg and Cheyenne. The quantity to be transported amounts to 25,000,000 pounds.

COURT OF CLAIMS.

WASHINGTON, April 28.—The court of claims today rendered judgment for \$13,505 in favor of Eugene Dolekman, a subject of Prussia, for loss sustained by the detention of a ship at New Orleans under order of Gen. Butler, on suspicion of containing contraband goods. Chief Justice Drake dissented, mainly on the ground that martial law was supreme at that time at New Orleans, and that the vessel was brought there with a knowledge of the risks incurred in coming in conflict with the military commander.

ANOTHER JUDGMENT.

Judgment was rendered for \$18,000 in favor of Andrew J. Gill for 536 tons of hay used by the army in Colorado in 1864 and 1865.

NEWSPAPER CHARGE.

LEAVENWORTH, April 28.—The Commercial newspaper, job printing office and book bindery have been purchased by D. W. Houston and C. N. Shaw. The Commercial was established near seven years ago, by Prescott, Hume & Callahan, as the National Union and Journal, subsequently Democratic in tone and last year espoused the Liberal movement. Under the new management it will be Republican, but independent. Col. Houston was United States marshal of Kansas during Grant's first term, and Mr. Shaw has been on the editorial staff for about one year past.

CHINESE CRAFT LABOR.

St. Louis, April 22.—Between fifty and sixty Chinese were put to work in the cooper shop of Jones & Co. to-day. Considerable indignation was manifested by coopers, and a number of them entered the shop and indulged in rather threatening remarks and intimated that a strike would occur, but there being a strong force of police on the ground no demonstration was made, and the probabilities are that no disturbance will result.
